Diwali is fast approaching (Nov. 2nd-5th) and the librarians need help decorating! During the celebration of Diwali you might see colorful patterns called rangoli. Decorate this rangoli coloring page using any materials (crayons, colored pencils or markers, glitter, sequins, paper, stickers, etc). Be as creative as you can be!

Then drop off the completed coloring page at the library so that it can be displayed during the first two weeks of November!

If participants would like their coloring page back, they can pick it up after November 15, 2021.
